

Glasstown Antique Fire Brigade

FALL MEETING SUNDAY NOVEMBER 10TH

1PM @ COLLINGS LAKES VOL. FIRE CO.

600 Cains Mill Rd Williamstown, NJ 08094

Lunch will be served after the meeting

Note from the Chief Engineer:

Well it's that time again to get our rigs ready for winter storage and as the Muster season comes to a close I want to thank everyone who helped out and participated in our Spring and Wheaton Arts Muster to make them a success.

Don't forget that this year is club election year, 2 year term, and it would be nice to see some fresh faces step up and run for some positions.

It's been a fun 5 years but all good things have to come to an end and I'M NOT SEEKING REELECTION as Chief Engineer.

I want to also wish everyone a safe and healthy holiday season and don't forget next year the club will be celebrating its 40th Anniversary!

Paul M. Kolsun III

Publications:

Starting in 2020 there will only be one newsletter going out for the year. It will go out around this time of year, once Muster Season is over with, and will contain the things that have happened throughout the year. To notify members of meetings or events coming up we will be sending out post cards pertaining the information you will need for such. We also have a web-page www.gafb.net and Face Book page and will be using these more so please go on and check them out.

Membership Dues

It's that time again; dues can be paid at this meeting.

Individuals: \$10.00 Organization: \$20.00

If you know of someone that is interested in becoming a member you can go on our web-page and print off and application and mail it in or bring them to any meeting.
